Do you have questions and concerns about preparing for and getting into college? The Roadmap to College workshop is designed for parents and students, and covers a variety of admissions and testing topics, including answers to these questions:

- What's the right timeline for high school students to take college entrance exams?
- What's the difference between the SAT and the ACT?
- Does a better test score mean a better scholarship or better financial aid package?
- What's covered in a typical college test preparation course?
- What are common misconceptions about getting into college?

The workshop will include information on The Princeton's Review's upcoming SAT/ACT courses in the DC area and how to save with your **Union Plus College Test Prep discount**. Learn more about union member savings at UnionPlus.org/CollegePrep

Rachel Dicaro-Metscher, an expert in college admissions and affordability from The Princeton Review, will be leading the workshop.
